
The Commonwealth Home Support Program

provides services for frail older people 65 years and over and their carers

Services for the Local Government Areas of

Ashfield, Burwood, Canada Bay, Leichhardt and Strathfield.

Burwood Council

heritage ▪ progress ▪ pride

Funded by the Australian Government Department of Social Services
Supported by the Ageing and Disability and Home Care, Family and Community Services

The funded services under the Commonwealth Home Support Program assist frail older people (65 years and over) to remain at home and prevent premature admission to residential care.

Are you a frail older person 65 years and over or a carer? If so, the following services may assist you:

- Food Services
- Home Modification and Maintenance
- Garden Care
- Social Support
- Home Help and Personal Support Services
- Community Nursing
- Allied Health and Therpary Services e.g Physiotherapy, Podiatry, Speech Pathology etc
- Community Transport
- Respite Care - Centre Based
- Respite Care in a Person's Own Home
- Carers Support Groups
